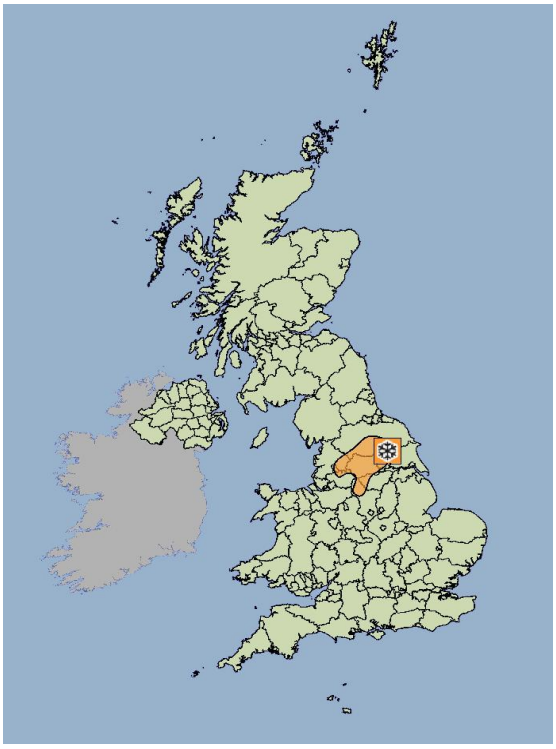
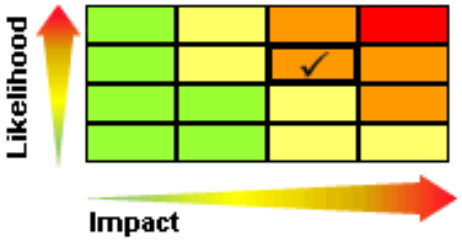
National Severe Weather Warning Service





Chief Forecasters Assessment
A weather system is expected to bring a spell of snow to parts of the UK on Friday. The heaviest snowfall is expected across parts of northern England where accumulations of 5-10 cm are likely, with up to 15 cm possible over higher ground.

The Met Office have issued an **Amber Warning** of **Snow**

Valid from **04:00 on Fri, 29th Dec 2017** until **11:00 on Fri, 29th Dec 2017**

A spell of heavy snow is likely over parts of northern England on Friday morning.

Travel delays on roads are likely, stranding some vehicles and passengers. Some delays and cancellations to rail and air travel are likely. There is a possibility that some rural communities could become temporarily cut off. Power cuts may also occur.
